Still no word on the new post office. . .

Mr. and Mrs. Vince Houchin went deep sea fishing at Santa Cruz Sunday with a party of friends from San Jose. Mrs. Houchin thought it was terribly funny when everyone but her rushed for the rail. A few minutes later she didn't think it funny at all.

Frank Triena won new acclaim at the Symphony Orchestra Concert last week by his playing of "Meditation from Thais".

A lot of us remember our feelings a year ago yesterday—V-E Day and what a lot has happened since then!

Warren Mackenzie, son of Mrs. Jessie Campbell, was the alternate for Charles Townsend, early rural mail carrier here. Mackenzie now makes his home in Richmond.

According to "the word", the American Trust Company is definitely NOT going to establish a branch bank here. Seems it was definitely planned, but something apparently occurred to make them change their plans.

A personality contest is being sponsored by the high school paper, "The Campus Echo". By popular vote the five boys and the five girls with the best personalities will be chosen. It must be very pleasant around the school now with everyone exerting his or her personality all over the place.

Many people who pause to look at the blueprint of proposed zoning in the window of The Press come in to express themselves. A lot of them feel that industrial zoning is essential for our present and future.

I will probably get a bawling out for putting this in the paper, but it's irresistible. A year ago Milton Nelson ordered a suit in San Francisco. With the scarcity of clothes and the particular type of suit he wanted, it was only last week that the tailor called to tell him the suit was waiting for him. Here's where the tragedy enters in—the past year, it seems, has done things to Milton's waistline, and he can't squeeze into the suit. His brother, Lloyd, still possessing that "Army figure", will make a trip to the city soon and it is rumored may try on the suit.

Did you know that Lowell Benson is the new vice-president of the Chamber of Commerce?

When we read about the privations of the occupants of war-torn countries, there is a certain unreality to it. We have plenty of clothes and plenty to eat and it is pretty hard to visualize starvation unless you have actually starved—or cold unless you have frozen. But those who have relatives there and receive letters from them know that their sufferings are real. Ida Levenberg has received word from her aunts in Italy—the first since the beginning of the war. Two of them have died as the result of their war-time privations. Each of them left small children whose sufferings from hunger and cold are realistically described in the letter. To Ida and many others, the canned food drive now being conducted by the Catholic churches is a very real and direct way to help.

Group 3 To Have Sewing Meet
Group 3 of the Congregational Guild will have an all-day meeting at the church for sewing, Thursday, May 24. Picnic lunch.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Legion Auxiliary Makes Awards For Prize Essays

In conjunction with the American Legion Auxiliary's outstanding Americanism program, awards have been made to students at both the local schools for winning essays on the subject, "American Citizens: Our Responsibilities—Our Privileges". Winner of the first prize, a \$25 U. S. Saving Bond, is Walter Trask, senior at Campbell Union High school. Alice Enderton, who attends the elementary school, is the winner of the second prize, \$10 in cash. Third prize, a certificate of merit, was given to David Solon, high school student, and the fourth merit award to Jill Garner, elementary school students.

Awards were made at the grammar school on Friday and the high school on Tuesday. Parents were invited to attend the ceremonies held during assembly period. At the high school assembly, Bonnie Decker was in charge of the program and introduced Mrs. Gertrude Wood, president of the auxiliary, who in turn, presented Mrs. Evabelle Fuller, Americanism chairman of the 13th district. Mrs. Fuller's district, which reaches from Palo Alto to King City, had the largest number of contestants of any district. A total of 113 essays were submitted in the contest.

Mrs. Arrah Peck, chairman for the past two years of the project in this community, made the awards at both schools and thanked the teachers for their cooperation and the judges, Miss Mary Fablinger, the Rev. Robert Carlson and the Rev. Lawrence Osborne.

Winners were invited to read their entries at Wednesday evening's Auxiliary meeting, and the essays will then be sent to the district judges for competition in the national contest.

As another feature of the Auxiliary's participation in the Americanism program, it was announced that Katharine Fuller, high school student, had been selected to be sent by the Auxiliary to attend Girl State, a citizenship school to be held for the third time in Sacramento from June 12 to 18. At the school the girls are instructed in the structure and the functionings of government, and by setting up their own governments during the project, gain actual experience in management. Miss Fuller was chosen for this experience by the faculty members.

The Press is happy to present Walter Trask's prize-winning essay to its readers:

American Citizens: Our Responsibilities—Our Privileges

Most people have only vague ideas concerning our responsibilities and our privileges as American citizens, so in order to clarify our thinking on this subject let us spend a day with John Doe. This Doe fellow is usually portrayed as the average American citizen. For this little experiment we shall take a day when Mr. Doe is to vote in his state election.

The alarm clock rings in the Doe household and Mr. Doe quickly jumps out of bed, dresses, then goes down to breakfast. Sitting down at the table he picks up the morning newspaper and begins to read. This is a typical example of one of our privileges, freedom of the press. While Mr. Doe is finishing his coffee he turns the radio on to get the seven forty-five news. But what's this? Mr. Q. P. Jones is giving one of his vote-for-me talks. Here is another privilege, freedom of speech. Turning off the radio Mr. Doe leaves for the office.

Mr. Doe walks quickly down the street to the corner bus stop. The bus soon comes and Mr. Doe gets on and today he is lucky for

Justice's Docket Reveals Drinking Disturbances

In Campbell Justice Court for April the docket of Judge Blaine suggests a flurry of disturbing the peace and battery, all connected with drinking.

A husband who had formed the habit of becoming intoxicated and abusing his wife was charged with disturbing the peace, pleaded guilty, and was sentenced to 90 days at the County Jail Farm.

In some rowdiness in a roadside barroom a man sportively put his fist through a screen door. He pleaded guilty to disturbing the peace and was fined \$10. A youth who threw a stool at the proprietor of the same barroom spent four days in jail, was placed on probation for one year and ordered to pay reasonable damages.

Among traffic charges were seven minor cases of the usual double parking, "no arterial stop", and excessive noise variety. These drew fines of from one dollar to three dollars.

A motorist who had passed a car ahead without sufficient clearance stood trial. He was found guilty and fined \$15.

Legion Team In First League Game

Campbell Post No. 596, American Legion baseball team composed entirely of Legion members will play host to an all soldier team from Camp McQuaide at the high school diamond, May 12, at 2:00 p. m.

This will be the first game in the newly-formed league. Other teams entered are Watsonville, Castroville, Morgan Hill, Palo Alto, and Camp McQuaide. The league will play a double round and possibly a third round.

Any veteran interested in playing may contact any member of the local American Legion Post.

Mother's Day Tea on Saturday

Spring flowers will be the principal decoration for the Mother's Day tea the Campbell American Legion Auxiliary is sponsoring Saturday, May 11, from 2:30 to 4:30 p. m., at the Campbell Country Woman's club room. The chairman, Mrs. Ellen Lanphear, extends a most cordial invitation to the public to attend. An interesting program will be given at 2:45, followed by tea.

Plans Completed For Methodist Celebration

Plans are completed for the 58th anniversary celebration at the First Methodist church tomorrow (Friday) evening. The historical exhibit is under the direction of Mrs. E. R. Kennedy. She has secured a number of old-time photographs of the church and community. One picture of the cast of a church play is of special interest. The play was entitled "Among the Breakers", and had Mark Purmort as the leading character. A quilt made by the Ladies' Aid Society has the names of all the ladies of the society at the time when Rev. Robins was the minister.

The anniversary dinner will be served at 6:30 o'clock Friday evening by the three Circles of the W. S. C. S. G. Arthur Tindall will be the chairman for the evening, and the former ministers will be introduced by Russell Kennedy.

The reservations received so far indicate that a large number of former members will be present. Rev. W. H. Lloyd, Rev. Edwin Bowling, Rev. John F. Wilson, and Rev. John Brunswick have indicated that they will be present.

Firemen Hold Monthly Meet

Any resident wishing to burn grass must call the fire department, it was decided at Monday evening's monthly firemen's meeting. The lot must be ready to burn and after the equipment arrives the owner must light the fire himself while the department stands by to protect the property.

Clarence Nelson, a member of the volunteer group, was officially made a lieutenant at Monday's meeting.

Friday, May 17, at 6 p. m., is the time set for the next fire drill.

Injured in Head-on Collision

Two Campbell residents were injured last Saturday evening when a car driven by Cecil R. Hughes, Quito Ranch, Campbell, and a car driven by Fred G. Barnes of San Jose, collided on the Los Gatos-San Jose Road on the outskirts of town. Hughes received a broken leg and the other Campbell man to be injured was Herbert Kaeding, 16, of Rte. 1, Box 144.

Dehydrator To Dry Potatoes For Distilleries

Choir Participates In Music Festival

Campbell High school's choir, 55 voices strong, took part in the Music Festival presented by Northern California Schools Band, Orchestra and Choir Association, at San Jose State College last week with over 4000 students from all over Northern California participating. Of the 21 high school choirs entered, Campbell ranked as one of the best, according to reports received by Frank Triena, director.

Among those from the local school who gave solos during the festival were Gloria Surian, soprano; Katharine Fuller, flute; Claire Booker, violin; and Eldon Silva, saxophone.

Death Claims Early Mail Carrier

Death last Thursday claimed Charles Townsend, 83, one of California's first rural free delivery carriers and a Campbell resident for 35 years. He died after a brief illness at his Capitola home.

Townsend came to Campbell in 1893 from Illinois and carried the first mail route established here. In addition he farmed here and in Hollister. During 1941 he moved to Capitola. He was a member of Morning Light Lodge No. 42, IOOF, and of Charity Lodge, A. F. & M.

Surviving Townsend are a son, Claude Townsend, San Mateo; three daughters, Mrs. Grace Shaffer, Newcastle, Pa.; Mrs. Pearl Campbell, Campbell; and Mrs. Gladys Lloyd, Palo Alto; a sister, Mrs. Adelia Farley, Illinois, and six grandchildren.

Funeral services were conducted Saturday afternoon from the Rutherford Funeral Home with the Rev. Robert Carlson officiating. Interment followed at the Los Gatos Cemetery.

Cambrian To Build Soon

Since the returns in the Cambrian School Bond Election were overwhelmingly in favor of the bond issue, Delos Bagby, principal of the school, announces that construction of a new building will start as soon as plans are completed. One hundred and 59 voters voted in favor of the project with only nine against it.

The new building will be on property adjacent to the present school and will be of a type recommended by the State. According to Bagby, it will probably contain three or four rooms.

Frank L. Steindorf, Charles Sartorette and Horace C. Nelson are trustees of the district.

Movie To Be Shown

Wednesday for School Children

Students in the 5th, 6th and 8th grades at the Campbell Elementary school who have their parents' permission may attend an educational movie at the Campbell theater next Wednesday morning at 9:30. The idea was inaugurated by Mrs. C. Foskett whose 5th grade class has been studying South America. The movies to be shown in conjunction with the study of our Latin neighbors are "Soldados Amigos" and "Three Caballeros" starring Donald Duck. Students will walk to and from the theater under the supervision of teachers.

After several experiments, the Dehydrator began this week to run potatoes in a new process for the distilleries. This new procedure will make use of the surplus potato crop in California. According to C. C. Smith, superintendent, California potato farmers overplanted extensively, and since the California potato will not stand storage, because it is a prematurely dug potato, it is impossible to ship the surplus crop overseas.

It has been the custom in the past to truck the surplus and culls out onto the desert and dump them; they will now be utilized for their alcoholic content for use in the distilleries which have had their grain allotment seriously curtailed.

In the new process the potatoes are not peeled, but are washed, cubed, spread on trays and dried. They are not blanched during any part of the proceedings as blanching kills the bacterial action.

After drying, the potatoes are shipped to the distilleries where the alcoholic content is extracted.

Because of the elimination of peeling, blanching and several other steps in drying, about half of the Dehydrator's machinery will be utilized in the new venture, Smith said. He also said that it will not be necessary to employ any women during this run.

Length of the run will depend on several factors and Smith was unable to predict its end.

Children Make Large Contribution

School children in both Campbell schools made the largest donation they have made to any drive when they contributed \$83 to the cancer drive. Of this amount \$39 came from grammar school students and \$44 from the high school.

Wilbur Mitchell, Legion Post commander and leader of the drive, reports that the proceeds now total \$320. Campbell's quota for the drive was \$200. The containers about town have not yet been turned in and their contents are expected to raise the total donations considerably.

St. Lucy's In Drive For Canned Food

St. Lucy's church is participating actively in the concerted drive of Catholic churches for canned food to be sent to the hungry people in the war-torn countries. The drive, which begins Sunday, May 12 and ends May 19, is the third one conducted by the Catholic churches.

All Campbell residents may contribute to this cause by leaving cans of any type of food at the home of Mrs. Ira Grim, 11 S. Third St., during the coming week.

Cars Collide on Winchester Road

A collision Tuesday morning at 7:40 on Winchester Road at Rincon Ave., resulted in damage to two cars and a telephone pole, but no injuries. Driving one car was Robert B. Buttran, 15 Pecan Way, Campbell, who was going east on Rincon. The other car, driven by John Fernandez, 20863 Oak St., Hayward, was traveling north on Winchester Road.

Investigating officers of the highway patrol, J. Daly and R. Plechaty, made no arrests.

Attend Flower Show

Mr. and Mrs. A. W. Hall, Mrs. Flo Wetzel, Mrs. Della Hook and Mrs. Pearl Mears attended the Garden Flower Show in Oakland last Friday.

High School Concert Scheduled for Tomorrow Night

Playing at Annual Spring Concert in High School Auditorium Tomorrow Night

Music, such as can be played by the three above, will be heard at the annual Spring Concert to be held tomorrow evening in the high school auditorium.

Included in the program for the evening will be selections by that popular soprano, Gloria Surian and the Campbell Hi Quartet.

The band will play "The Pil-

grim", "The Desert Song", and "Pavanne". "Listen to the Lambs" "Steamboat Chuggin'", "Cherubian Song", "The Lord Bless You and Keep You", and "Madame Jeanette", will be sung by the choir. The orchestra will play Mozart's "Symphony" and "Perpetual Motion".

Over one hundred students will take part in this event.

Alcoholic beverage license fees for the last six months of 1945, amounting to \$1,298,912.66, have just been allocated to cities and counties. Also just dispersed are the motor vehicle license fee apportionments for the period from July 1, 1945, to March 31, 1946. For those who wonder how incorporated towns make up their budget the following figures are interesting: Gilroy, with a population only slightly more than Campbell, received from the license fees \$1,379.36. From the alcoholic beverage license fees, Gilroy received \$542.50.

Campbell, being unincorporated, receives nothing from these or other State sources. The money allocated for the unincorporated areas also serves the incorporated areas for it goes toward the support of county institutions among other things. This has been pointed out in this column before, but with each six-months period passing, it becomes more evident that Campbell, reputed to be the largest unincorporated area in California, is willfully denying itself benefits which are there for the asking.

Letters to the Editor

Not Too Big, Not Too Small,
Just Right—For Us All

Dear Editor:

In the past, there has been too much tendency to house large groups of children in a large school-building, concentrating on beautiful, sprawling buildings which attract the eye of the out-of-state visitor. However, when we consider the building of a school, we have to think of the child and his individual needs as he is the sole reason for the school's existence. It is therefore, important to provide for him that which is important to him, a school which is accessible to him and one which meets his needs in a personal way.

We know by addition and multiplication that our school enrollment is increasing and that added schoolrooms are a necessity. With this in mind, our next thought is: where shall these rooms be built. It has been recommended that smaller schools be built in the areas most thickly populated with children.

From a health point of view, there are several things to consider. First of all we think of the transportation of these children which incurs a certain amount of hazard. Little children waiting for the bus often are a worry to parents and autoists traveling on the highway who fear for their safety. Crowded busses, and too close a contact in a closed area such as a bus, tends to spread contagious diseases. Often in the early morning hours the child waits in the cold or rain to be picked up and becomes thoroughly chilled before reaching school. Mothers often stand beside their young children in the cold awaiting the bus arrival, which is another health-hazard to the family circle. The child living farthest away is often the one picked up first, and he is also the last to disembark from the bus at night. This makes too long a day for young children. We are rushing our children at too early an age into the commuting habit.

In a large school, when contagion breaks out, more people are exposed to that contagion, thus spreading the disease into every surrounding community. This means more illness in more homes and more little pre-school children

having to combat avoidable illnesses.

The smaller school located in its community is a greater asset to that community. It tends to make a stronger bond of friendship among the children, parents and teachers and the community itself. The child is an individual and feels that he has something to contribute to that school, the teacher knows her students better and knows the child's background better.

Each school could have a room or health center where adult education could take place, where groups could meet for better community intermingling. A "Well Baby" clinic, "Pre-school and Immunization" clinic could be held each month. The State Department of Health and the County Health Departments have medical personnel who are available to conduct such clinics if facilities are available. Private doctors too in most cases are willing to cooperate with such a program if the set-up is ready and there is proper understanding as to its aims. Each school can be a health unit as well as an educational unit serving all its people.

Those of us who have had the experience of working and studying health and hygiene problems in various types of organizations, realize the value of a community school which is available to the child and parent, where he receives daily individual observation and where daily intermingling between home and school is a possibility. Let us give our children a chance to be somebody—some place where he can reach out and accomplish this. Our delinquency rate would drop if our children could feel important in a good way and not in a bad way.

Submitted with sincerity,
(Signed) ESTHER SHORT,
Public Health Nurse.

Why Shouldn't Campbell Share in the Prosperity of the Western States?

Dear Editor:

For some time The Press has been printing accounts of large manufacturing plants being erected in Santa Clara County. San Jose and Santa Clara have reaped huge benefits from new industries being located in their areas, and these benefits will be increased many times as years progress.

CABINET LADIES AND MENU

WASHINGTON.—Ladies of the cabinet are really practicing what their husbands preach regarding the saving of food for Europe. Ever since President Truman urged that the American people eat the equivalent of a European ration two days a week, cabinet wives have been studying menus.

Mrs. Clinton Anderson, whose secretary of agriculture husband is one of the hardest-working of the food conservers, has given permission to publish one of her menus. It provides 1,540 calories—the equivalent of a European ration—as compared with the normal American diet of 3,000 calories.

Here it is, with the number of calories listed after each item of food:

Breakfast—glass of orange juice (75); bowl of cereal (100); milk for cereal (85); half-a-pint of milk or cocoa (170)—total, 430.

Lunch—half-a-cup of thick soup or chowder (150); vegetable salad without oil in dressing (75); muffin (75); baked custard (100); half-a-pint of milk (170)—total, 570.

Dinner—poultry, fish or meat (150); potato (large serving) (150); green vegetable (peas, beans, greens or broccoli) (40); raw vegetable strips (carrots, celery, tomato, cabbage) (50); half-cup of fruit (150) or milk for children—total 540.

★ ★ ★ TRUMAN'S GIRL FRIEND

The leading lady of the poppy presentation ceremonies to President Truman fell hard for the chief executive.

Three-year-old Betty Lou Hall of Eaton Rapids, Mich., one of five orphaned children left by a heroic infantryman killed after the Normandy invasion, was selected to put the poppy in Truman's lapel in behalf of war orphans of the Veterans of Foreign Wars.

Her job finished, the little girl was asked by photographers if she didn't want to kiss the President. She complied not with one kiss, but a shower of them. In fact, the young lady seemed inclined to continue this part of the proceedings indefinitely until reminded that her embraces were sufficient for picture purposes.

★ ★ ★ ARMY MORALS OVERSEAS

One reason for strong sentiment in the Senate against drafting 18-year-olds is that many senators have been abroad since V-E Day and have seen first-hand the wanton immorality to which young soldiers are exposed.

Returned senators are especially critical of U. S. Army officers for setting a bad example to young G.I.s.

"When they see their superior officers living in German castles with frauleins," reported Senator Harley Kilgore of West Virginia, "enlisted men get a very bad impression. It's no place for youngsters. After they get to be 21, they can stand on their own feet, but give them a chance to get some education first."

Other senators feel that the Army has an obligation to put its house in order before it demands drafting of 18 and 19-year-olds.

"An officer is supposed to set an example to the enlisted man," commented Senator Ed Johnson of Colorado. "An example of upright living. Some of the examples set by officers in Germany are shocking. Until they clean house they can't expect us to be enthusiastic about the draft."

But what has Campbell done? They have been unable to do anything because, at the present time, there is absolutely no land available which is zoned for industrial purposes.

One firm recently wished to locate here, and would have employed on hundred of our residents, but as there was no land available for them to purchase, the opportunity was lost.

Is this always to be the way, or will Campbell residents wake up?

The association is considering the important zoning question, and has formulated a definite scheme. In order to secure best results the special committee of the association is working in conjunction with the Campbell Chamber of Commerce. The whole area has been inspected, and as a result of many hours of careful study, a suggested area for zoning for light industrial purposes has been agreed upon. This will be placed before the Campbell residents for discussion at a meeting to be arranged shortly. So as to give you—the people—an opportunity to seriously consider the matter before the meeting is held, a map has been prepared. A copy of this will be exhibited in the window of The Campbell Press.

The area included in this proposed industrial zone is bounded as follows:

Starting at a point on the east bank of Los Gatos Creek at its junction with Hamilton Avenue. Thence proceeding west to east side of Harrison Avenue. Then along the east side of Harrison Avenue to Campbell Avenue. Turning along south side of Campbell Avenue to east side of First Street, south along east side of First Street to west side of railway tracks, west along side of Kennedy Avenue to Santa Clara Road. Along east side of Santa Clara Road to Pollard Avenue. East across railway tracks to east side of Los Gatos Creek. Follow north along east side of creek to junction of Los Gatos and Dry Creeks. Along Dry Creek (south side) to west side of North Union Avenue, crossing Campbell Avenue due north to east side of creek. Then along east side of creek to place of commencement.

Campbell residents are cordially invited to send comments to Campbell Taxpayers' Association, Box 233, Campbell, and make a special effort to attend the meeting which will be advertised in the next issue of this paper.

Remember always—the Campbell Taxpayers' Association is an association of the people, for the people, and only takes action on subjects which will benefit Campbell and its residents.

Average Cut in Cost of Electricity 16%

since 1939

Today, almost everything you buy for your home costs more. The one important exception is the gas and electric service which does so much of your housework and supplies light and heat as needed. While average living costs have risen 35 per cent and more, the cost of BOTH gas and electricity has gone DOWN despite wartime conditions. Today, P. G. and E.'s gas and electric rates, long among the lowest in the entire country, are lower than ever before. The average cost of natural gas for domestic use, has dropped 33 per cent since 1939 and the cost of electricity for home use has gone down 16 per cent. Rate reductions in the past year alone represent annual savings to customers of \$7,490,000.

Our rates have been cut in the face of the soaring cost of providing gas and electric service...service that is unfailing and adequate. In 1945, provision for taxes amounted to thirty cents of every dollar of our revenue, yet the average P. G. and E. bill for gas and electric service in San Francisco, for example, was lowest among fifty-one principal cities...including those subsidized by government and tax-exempt...in the United States.

Nine Brothers and Sisters Have Reunion With Parents

An unusual family reunion was held on Easter Sunday at the home of Mrs. W. E. Schuler, Alice Ave., when nine brothers and sisters and their parents met together. Making the longest journey to be present was Dr. A. A. Deegan who lives in Edmonton, Alberta. The other brothers and sisters, in addition to Dr. Deegan and Mrs. Schuler, were Mrs. Frank Burke, Los Angeles; Mrs. Fern Ostermeier, San Jose; Mrs. Florence Bluet, Los Angeles; Mrs. Isabel Frost, San Jose; Albert Deegan, Santa Rosa; Wilford Deegan, Turlock; and Harold Deegan, Radioman 1/c, USN, Vallejo. Mr. and Mrs. A. C. Deegan, parents, were from Turlock.

Strolling In The Shops

with Susie Shopper

The Dresser Shop is enjoying being able to supply its clientele with some of those hard to get baby's things like diapers and wrapping blankets. It also is shepherding back into baby's life those dainty Madeira dresses so familiar before the war. They come from Portugal and are as dainty as ever. Lee and Virginia are proud, too, of their beautiful little christening dresses—sheer and fragile looking with oodles of lace.

Are you a bit appalled at your first glance of yourself this season in play clothes? Mr. and Mrs. Chet Clever can give you four hours of exercise in 30 minutes. With their electric slenderizer there is still a chance for you to be the belle of the beach with no exertion or dieting on your part.

Everyone is interested these days in home building. At the Campbell Pharmacy there's a loose-leaf type book which will interest all prospective builders and those who just like to dream. It's called the California Plan Book and contains 100 new plans with complete descriptions, pictures of all types of interiors, decorating ideas and, as a special time-saving feature, there are postcards, all addressed and filled out requesting further material and information from advertisers.

It's interesting to watch the gradual return of pre-war articles at the Campbell Hardware Company and with them are coming a lot of new post-war items too. This week, my eye was caught by a display of dishes, some of the sets with as many as 96 pieces. For loyal Californians there's a set with the State's flower. Another gay design is wreathed in yellow daffodils. Who could be grouchy in the morning with that?

For the lover of miniatures The What Not has some extra special brass ones—just arrived, and most intriguing. There are candlesticks, tiny lamps, a little mortar and pestle, vases, a decanter which really opens, a replica of an old school bell, and (my favorite), a little coffee grinder. Something new in miniatures are the Ponderosa pine pieces which come from Bend, Oregon. There's a replica of a cobbler's bench, a tiny table with planter, a spoon holder and many others. They are perfect as to detail and their finish is cleverly antiqued. Also in the Ponderosa pine is a hanging shelf which, by the way, would be an idea for Mother's Day... just right to use in starting a miniature collection.

There's no more long waiting to get hose mended if you take them to Sylvia Champion on the balcony of Decker's Market. An experienced invisible hosiery mender she treats your precious nylons with the respect they deserve. Incidentally she says to store your nylons in a fruit jar this summer as the ants consider them a delectable dish.

For my money, Early American toiletries have the most appealing containers... and useful too. Clark's Drugs is featuring the line which include a small dressing table whose top folds back with a mirror inside. There's a red plush pincushion and small compartments along the sides. Of course there's some things in it too—powder, cologne, perfume, and soap. Some of the other clever packaging ideas are replicas of salt boxes, jewel boxes and there's a honey of a tiny trunk with, in addition to Early American's usual quaint figures and designs, a pic-

ture of a canopied bed and the word "welcome".

It's no trouble to find that "extra special" gift for mother at Rachel's. My very first choice would be one of the new quilted nylon robes—so light you can't believe it—yet warm too. They come in floral prints with white backgrounds. If mother is the more practical type, Rachel has some attractive aprons, the kind that combine looks with a bang up job of covering up. There's blouses too, some new arrivals in gay spring shades, and a variety of dainty, fluffy dickeys.

The House of Riches which opened Saturday in its new location at Hamilton and Meridian, has a large assortment of new stock. Dorothy and Harry Rich are specializing in gifts of all sorts and in addition, carry greeting cards and stationery, as well as maintain a lending library. Their figurines are especially delightful and the variety is infinite. There's pottery by Soroha Born, originals by Marson Eastlake and gorgeous hand blown glassware. I noticed some engaging cups and saucers, perfect for that friend with a cup collection, but what delighted me the most were pottery reproductions of old "sad" irons. They're heavy enough to use as bookends and, with their gay flowers, would be perfect in the kitchen supporting that row of cook books.

No-Host Party For U. C. T. Officers

Past officers of the United Commercial Travelers were honored at a no-host party at Rickys on the evening of May 2. The occasion also marked the closing of the auxiliary work and the return of the club to a social group. During the evening a silver tray was presented to Mrs. Pat Pooler of San Jose, retiring president, in appreciation of the work she had done during her term of office. Mrs. Ruth Godell, past president, was also presented with a pen. All members of the club wore dainty corsages which were a gift of Mrs. Cloyde Miller, secretary. Attending the affair were Mesdames Cloyde Miller, Ruth Godell, O. A. Stalker, Chester Johnson, Mabel Narvaez, William Woods, Pat Pooler, Clyde Varner, and Ross Flintjar, all of San Jose, and H. E. Peck of Campbell.

Celebrate 27th

Wedding Anniversary

Mr. and Mrs. Frank Weeks celebrated their 27th wedding anniversary, Friday, May 3, at their home on So. 4th Street. Friends and neighbors called to extend congratulations and best wishes. Beautiful flowers were brought by the callers and these were made into a large bouquet, and, with a card, signed by all, taken to Mrs. Alda Blaine, the wife of Judge Blaine, as a token of their love and esteem. Mrs. Blaine has been ill for several months.

Eastern Star Meets

Friday evening, May 3, was the official visit to Campbell Chapter of Marie Barnes, deputy grand matron of the 40th district Order of the Eastern Star. Virginia Currie, worthy matron, and Guy Levitt, worthy patron, presided. The deputy was escorted to the East and presented. She carried a most beautiful shower bouquet of pink carnations tied with a blue satin ribbon.

The decorations in the chapter room represented a garden of roses. Marjorie Martin sang "In the Garden of Tomorrow", the favorite song of the deputy, after which a class of initiates were inducted into the Order. A short program followed. A song to Marie Barnes by Miss Beverly Parker, daughter of Thelma Aker.

Presenting the gift to the deputy was done by the Misses Currie, daughters of the Worthy Matron Virginia Currie, carrying a May basket of roses.

The deputy grand matron praised the officers for their splendid and impressive work.

Visitors from various chapters were in attendance, and all remained to partake of refreshments.

The color scheme of pink and blue was carried out in the dining room.

Thelma Aker as chairman was assisted by Florence Cramer, Evelyn Buck, Ida Currie, Angelina Quentin, Mae Hardtke, Ella Elkey, Myrri Blocke, Zelia Rhea, Ellen Arnold, D. H. Cramer, John Duncan, and James Arnold.

On May 17 the chapter will honor Mother's Day with college members acting as a committee.

On May 24, Virginia Currie, worthy matron, with Marion Jensen and Myrri Blocke, will entertain the Star Circle at 28 N. 2nd St., Campbell.

Legion Auxiliary Makes Awards

(Continued from Page One)

there is still one seat left. At the next bus stop an old lady gets on and is forced to stand, but Mr. Doe quickly gets up and gives her his seat. This is a responsibility of Americans—to be courteous to their fellow human beings. This morning Mr. Doe gets off a block before his usual stop so he can stop in at the Red Cross to give his donation. It is a responsibility of Americans to give to charitable organizations.

Mr. Doe leaves the Red Cross and walks past the Methodist church, greeting the minister on the steps. Here we have his church symbolizing another privilege freedom of worship. A few more steps take Mr. Doe to his business, the "Doe Laundry". Here we have another privilege, free enterprise. After an average day Mr. Doe closes up and leaves for the polls.

At the polls, Mr. Doe meets some of his friends, Mr. Goldberg, Ivan Petekoff, Fritz Muller, and all the rest, for anyone who is a good citizen and registered in the proper precinct may vote. Mr. Muller is saying that his man is sure to win. Another privilege, freedom of opinion. Mr. Doe has his own favorite candidates so he votes and goes to the corner store.

In the corner grocery store the shelves are well stocked with the necessary food items, quite different from the stores of other countries. This represents another great privilege, freedom from want. After buying the groceries Mr. Doe finally heads for home to spend a comfortable evening with his family. So ends the day of an average American citizen.

Take heed of every responsibility and every privilege you have during the day! Take heed and make the most of them, Americans!

Voted to **BREAK** the

BLACK MARKETS

The O. P. A. has been a saviour to this country, and as such, I have supported it. I voted to continue the O. P. A. until March 31, 1947, at which time it will again be studied in the light of current conditions. The most important amendment for which I voted, provides that the O. P. A. should allow a fair profit when setting a maximum price. This provision will effectively break black markets and kill inflation by stimulating full production.

It's Poppy Time Again

How the wild poppy of France and Belgium became the memorial flower of America's dead of both world wars was described by Clara Falgalde, poppy chairman of Campbell Unit of the American Legion Auxiliary, as the unit went forward with preparations for observance of Poppy Day, May 25.

"Amid the desolation of the battle-front in the first World War, the poppies were the one touch of nature's beauty that survived. The little red flowers grew along the trenches and shell holes, and over the raw earth of the battle graves. In the minds of the men fighting there, the poppies became associated with their dead comrades.

"Expression was given to this sentiment by Colonel John McCrae, Canadian medical officer, in his immortal poem, with its lines:

"In Flanders fields the poppies blow,
Between the crosses row on row—"

"Replicas of the Flanders fields poppy were first worn in America in honor of the war dead in 1918, and the wearing of these flowers on the Saturday before Memorial Day soon became a nation-wide custom. The poppy is also the memorial flower of Great Britain and is worn throughout the British Empire on Armistice Day.

"When the second World War began claiming American lives, the poppy, quite naturally, became the symbol of these added sacrifices for the nation. The largest part of the World War II battle deaths also occurred in northern Europe where the poppy grows, but no matter where Americans died, the poppy pays tribute to them.

"Disabled veterans of both wars now make the poppy to be worn in memory of the dead of both wars. Poppy Day contributions aid the disabled of both wars, their families and the families of the dead. Millions of Americans will wear the veteran-made poppies of the American Legion Auxiliary this year in silent tribute to those who lie beneath the crosses in Flanders fields and in the American cemeteries throughout the world."

New Tract To Open Soon

As soon as the surveying is completed, the new tract purchased from Mrs. Watson and Mrs. Barker by J. M. Dahl will open with 72 lots for sale. The tract, located on the San Jose-Los Gatos Road at Macy Lane is comprised of 20 acres and will be one-half mile in length.

Dahl says that a name for the tract has not yet been selected, but it may be named in honor of Mrs. Barker's mother. The Barker family home, a large two-story structure, is still standing on the tract and arrangements will be made to move it in the near future.

The Nile is the only river in the Eastern Hemisphere which is more than 3500 miles long.

Sponsors Reilly

Edward M. Fellows, widely known Santa Clara County attorney of San Jose, was selected to head the Santa Clara County Citizens' committee sponsoring the re-election of George B. Reilly, this district's member of the California State Board of Equalization. Fellows said that members of all political parties are uniting for Reilly's re-election at the June 4 primary.

Fellows declared he had accepted the chairmanship of the Reilly committee because he is convinced that the board member has done an excellent job and deserves the support of the county. He pointed out that membership on the board involved no legislative acts, and should not be mixed up with partisan politics.

"Contrary to average opinion," Fellows said, "that the Board of Equalization is just the State liquor control agency, the Board of Equalization plays the major role in the economic life of California. The board is responsible for the assessment of more than \$300,000,000 annually, two-thirds of all State revenue."

Warren Addresses Delegates

Appealing to the women of California to carry on during the present reconversion period as they did during the war, Governor Earl Warren recently addressed the first post-war convention of the State Parents and Teachers Association at San Francisco. More than 200 delegates of the association gathered from all sections of the State under the leadership of Mrs. J. J. Garland, State Congress president.

"It is a pleasure to meet with you at the beginning of your first convention since the outbreak of war. You have always had a forward-looking program for the protection of youth and you did not let it slacken during the war years. I want you to know that I appreciate the way your leaders have assisted the State in carrying forward programs for youth and have accepted assignments in State government.

"In the field affecting the welfare of youth, good programs have been initiated and progress has been made. With the cooperation of State and local government and all organizations devoted to the protection and development of youth, such as your organization, we can go forward to California's great future. The children of today will be the leaders of tomorrow. As they are nurtured, the future will be shaped. Only through them can we achieve the larger freedom, the great theme of your convention.

"We have raised the minimum salary for teachers in California until it is now \$1800 per year," Warren said, "but this is not just a question of minimum salaries. If the ultimate salary a teacher can earn does not compete with salaries in other lines of endeavor we cannot hope to induce people of capacity to study for the profession or remain in it."

A hair from the head of a healthy man will sustain a weight of almost half a pound.

Do you want the
**C.I.O. Political Action
Committee to Control
Your Congressman?**

It is a matter of public record that a sum of
approximately 6 million dollars will be spent
by the C.I.O. Political Action Committee dur-
ing the 1946 elections.

This money is being used to attack certain
incumbent congressmen and to foster the can-
didacy of others. In this district Congressman
Jack Anderson is the subject of a bitter C.I.O.
attack.

The reason for this attack is Anderson's firm
belief that he is responsible only to the people
—NOT to the Political Action Committee.

Do you believe for one minute that you would
have a free representation with any candidate
who was elected by the C.I.O. six million
dollars?

This isn't a battle of candidates. It is a clean-
cut struggle for the basic principles of Ameri-
canism. A vote for Jack Anderson is a vote
to maintain the American Way!

**Romantic
Social News**

Dan Cupid has been busy in
Campbell recently and as result
of his work, several weddings are
planned. Tomorrow evening at
the Woman's Club, Miss Reba Lee
Fryar, daughter of Mr. and Mrs.
Joseph Fryar, will become the
bride of Jack E. Chappell. The
bride-elect is a graduate of Camp-
bell Union High school and has
been attending San Jose State
College. A veteran of some of
the war's most strenuous engage-
ments, the benedict has recently
been discharged from the Marine
Corps. The young couple will
make their home in Campbell.

Planned for September is the
wedding of Miss Geneva Watson,
daughter of Mr. and Mrs. M. W.
Watson, and Fred Townsley, Q.
M. 3/c, of New York City. The
young couple announced their en-
gagement April 27 at the Ha-
waiian Gardens in San Jose. A
graduate of Campbell Union High
school, the future bride is em-
ployed by the California Water
Service Company.

Another interesting result of
Cupid's work is being revealed by
Mr. and Mrs. P. N. Hubble, who
are announcing the engagement of
their daughter, Betty Jane Par-
sons, to William H. Morgan.

The future bridegroom is the son
of Mr. and Mrs. A. C. Burch and
attended schools both in San Jose
and Campbell. He recently re-
turned home from 20 months over-
seas in the Army.

A graduate of Campbell Union
High school the bride-elect is at-
tending Sullivan Beauty College in
San Jose. No date has been set
for the wedding.

Wed at Home Of Cousin

At a simple home ceremony on Sunday at the home of his cousin, Mrs. Bryce Whitmore, Gerald D. Sullivan took as his bride Miss Harriet Strack, daughter of Mrs. Eva Strack of San Francisco. Among the out-of-town guests present for the ceremony was the bride-groom's mother, Mrs. J. B. Sullivan of Scottsdale, Arizona.

Officiating at the ritual was the Rev. Lawrence Osborne, minister of the Campbell Methodist church.

The bride, given in marriage by Walter Silberbauer, chose for the occasion a grey dress with black accessories, complimented by an orchid corsage. Attending the couple were the benedict's sister and brother, Mrs. Walter Silberbauer and Donald Sullivan.

Following the ceremony the relatives and a few close friends enjoyed a small reception and the customary wedding cake. The bride's mother wore a black dress with corsage of white sweet peas, and Mrs. Sullivan was attired in a grey dress with a corsage of red roses.

Recently discharged from the Army after three years in the European theater, the bride-groom is employed in San Francisco, where the young couple will make their home.

Mothers Honored by Kappa Kappa Sigma

Campbellites attending the Kappa Kappa Sigma Mother's Day brunch at the Sainte Claire Hotel, Sunday, May 5, were: Mrs. Anthony Jurras and Betty Jean, Mrs. Frank Blair and Mary Louise, Mrs. H. J. Jensen and Barbara, and Mrs. H. F. Cousins and Ruth.

To Speed Up Vets Pay

Congressman Jack Anderson received a telegram from Washington that his demand for speedy payment of educational allowances to vets at San Jose State would be carried out immediately by the Vets Regional Director, Coile.

Anderson's prompt action for the vets was the result of his meeting a few days ago with members of the State College administration and student body where he learned that a number of vets were not receiving their payments.

Anderson wired General Omar N. Bradley, administrator of the Veterans' Administration in Washington, immediately following his meeting at San Jose State, calling for speedy payment to these vets.

In March, Anderson secured payments and letters of eligibility for several vets from San Jose State who were caught in the same predicament.

Anderson asked that any vet in the 8th Congressional District who has not received his allowance get in touch with him.

Spaniel Club To Meet

Members of the El Camino Cocker Spaniel Club will hold their annual spring puppy match Sunday, May 16, at Forester's Hall, 1204 Middlefield Road, Redwood City, with Miss Margaret Howell as judge. American type cocker spaniel puppies from two months to one year are eligible to compete and there will be food and ribbons in every class.

There will be a club dinner at 8 p. m., and as a special feature, a cocker puppy will be given away free.

Local Candidates And What They Say

Since I became Justice of the Peace of Campbell Township we have had four different constables and of course only one judge. It's accordingly fair to say, I suppose, that of the six men now running for Campbell Township office, I'm somewhat the dean.

As a judge, judging candidates, it seems to me that the other five make a rather colorful group, with Dad Lee having a bit the edge. What other candidate is so ripe in years? What other has a frontier story? And what other window card says anything that so appeals to the imagination as "The Old Scout Rides Again"?

For my part, I have the least color of the lot. I've nothing to offer this community but the attributes of plain sticktuitiveness and common sense. What is more drab? Moreover, I can promise nothing but the same brand of common sense, helped, it may be, by ripe experience.

JOHN D. BLAINE.

Well, here I am again. This time I haven't much to say, but I wish to thank all my sponsors and am glad to report progress. I want to thank each and every one of you that is calling on me at my home with encouragements, that I feel confident of the net results. I have, up to this time, refrained from soliciting your help from door to door, but I don't believe I need that kind of campaign. I feel that I have been long enough in Campbell; you all know me and what I stand for. Consequently I will not call on you. I will have later issues coming along on those subjects. I hope to be able to meet you all at the general meeting, which I understand is to be held in our grammar school between now and election time.

In the meantime bear in mind that my policy is: protect the children in and out of school; protect the old people in the traffic hours evenings.

I will try to keep the sidewalks clear so that you can get by without walking in the streets, without being caught up with from cars backing in or out, or having to make a by-pass.

Those are my campaign policies. I have no axe to grind with anybody. I am not looking for a chance to arrest somebody on the spur of the moment, nor am I anticipating any of the abilities to close any of our taverns which is now being propagandized against me at this time. As a common constable, we have none of those authorities. That will be all. I am your obedient servant when elected.

"DAD" LOUIS LEE.

Home Planning Meet Tomorrow Night

Continuing the series of home planning institute lectures for those interested in building a home, another talk is scheduled for tomorrow evening at 7:30 p. m. in the Montgomery theater.

At last week's lecture, Raymond D. Smith, San Francisco realtor, said that, since State attention is focused on San Jose's industrial growth, home builders should be careful to select their home sites in an area which will not interfere with such development. Smith also urged selection of a home site with assistance of an architect and real estate man.

Pacific Veteran Now at Home

Discharged on May 1, Phil J. Cardoza, SK1/c, son of Mr. and Mrs. Joe M. Cardoza, 725 McCoy Ave., is now at home with his parents after almost four years service with the Navy. After being stationed 11 months in Hawaii, Cardoza was sent to Midway and then served as storekeeper 1/c on a large supply ship, the USS Hyades, which made many trips to China, the Philippines, Okinawa and other Pacific ports.

A graduate of Campbell schools, the former Navy man was majoring in art at San Jose State College before entering the service.

Mrs. Sadie Maxson Visits From Oakland

Mrs. Sadie Maxson was a guest this week at the home of her nephew and his wife, Mr. and Mrs. Ethan Lanphear. While in Campbell she attended "guest day" at the Country Woman's Club.

State Fair Canceled

The directors of the State Agricultural Society have decided with great reluctance to cancel the 1946 California State Fair.

There are two basic reasons for this decision:

(1) Their unwillingness to conflict in any way with the veterans' housing program by using materials and labor necessary to rehab-

itate the grounds and buildings after more than four years of army occupancy. More than 50,000 man-days alone would be required for this work.

(2) The inadequacy of the present facilities to accommodate the all-time record crowds and exhibits expected to be present.

Mrs. Peck Entertains With Shower

Mrs. J. Hugh Rincon was the honored guest last Friday evening at a baby shower given by her mother, Mrs. H. E. Peck, at her home on 141 North First Street. Mrs. Rincon is living with her parents until the expected arrival of her baby in June. Her husband, Lt. Rincon, is at present stationed with the air corps in Clovis, New Mexico.

The house was gracefully decorated in pastel shades of roses, sweet peas and stocks. Following the presentation of the beautiful gifts, the guests enjoyed playing Dutch whist. Mrs. J. McBain winning first prize, and Mrs. Cloyde Miller, second prize, while the door prize was presented to Mrs. James Kelly. Refreshments which were served following the games, carried out the motif with stork decorations on the cake.

Present at the party were Mesdames John McBain, Lorraine McKinney, Charles Kankel, all of Campbell, and James Kelly and Cloyde Miller of San Jose.

Dent Named Director Of TB Organization

James Dent, principal of the Campbell Union High school, has been named director of the Santa Clara County Tuberculosis Association at the annual meeting held Tuesday, April 30. Other officers elected were: president, Miss Margaret Twombly, San Jose; president-elect, Dr. Charles A. Fernish, San Jose; vice-president, Dr. John von Saltza, San Jose; vice-president, Oliver Brown, Gilroy; secretary, Mrs. Wendell C. Day, San Jose; treasurer, Oran L. Slaght, Los Gatos.

The annual report showed a total of 13,606 X-rayed during the past fiscal year with 39 active cases found. New complete X-ray unit was on display and formal presentation of the dressing room truck by the Charity League of San Jose was made to the tuberculosis association. The league paid for the building of six dressing rooms on a ton and a half truck to which the X-ray trailer is now attached.

Hendy Man To Aid Hornbuckle Campaign

James F. Lee, war-time personnel director of Hendy Iron Works, was named chairman of the Howard F. Hornbuckle for Sheriff general campaign committee at a recent meeting held in the committee's office, Room 209, Security Building, San Jose, it was announced yesterday.

Lee, well-known throughout Santa Clara County for his work in building Hendy's employment list from a small group of 60 people to 6000, indicated that Hornbuckle committees in cities and towns in the county soon will be made public.

Hornbuckle, a former San Jose police captain and member of the San Jose police force 14 years, is a graduate of the San Jose State College police school. He is also a graduate of the FBI National Academy, Washington, D. C., and has attended all its West Coast schools.

Receives Sympathy In Loss of Father

Bill Weeks and his brother, Albert Weeks, both of Campbell, are receiving the sympathy of their friends in the loss of their father, J. J. Weeks of Oxford, Mississippi, who died last Friday, three days after becoming the victim of a stroke.

Arriving before his father died, Albert Weeks remained in Oxford to attend the funeral and arrange his father's affairs. In addition to the two brothers here, the senior Weeks is survived by two other children in the bay area, Mrs. Mary Moreland and J. J. Weeks Jr., both of San Francisco.

Country Woman's Club Guest Day

Guest Day, Monday, May 6, at the Country Woman's Club was a gala affair. The members and their guests added color and charm to the beautifully decorated clubroom. Huge bouquets of various spring flowers were used in the decor. President Mrs. Carl B. Field, extended a cordial welcome to all members and guests, also visiting officers from other clubs in our district.

Campbell High school boys' quartet entertained with several selections. The quartet is composed of the following boys: Dale LaMar, Donald LaMar, Loren Sylvia, and Rolla Reader. Accompanist is Victor Corsiglia.

Dr. William Sweeney from the Educational Department of San Jose State College, was guest speaker, using as his subject the club's theme, "Building for the Future". It is a very timely subject, as he pointed out the great need for more elementary teachers to instruct the children attending our schools.

The tea table was very attractive with a lace cloth, topped with a large bouquet of red roses, red tapers and silver services. Mrs. E. R. Kennedy and Mrs. G. E. Jeffers poured.

The committee helping Mrs. Archie Keesling were Mesdames W. R. Morgan, W. J. Higginbotham, E. L. Farnham, C. W. Sutter, C. E. Falgalde, Ida C. Price, F. A. Coombs, T. T. Cowper, R. C. Page, Ray Flagg, Harold Herring, and H. Busack.

Cousins, Mrs. Rex Fuller, Mrs. Ray Wood, Mr. and Mrs. Arthur Tindall, Mrs. Dave Saunders and daughter, Mrs. George Jeffers, Mrs. Ray Gilpatrick and son, Ronny; Mrs. Richard Gordon and daughter, Laura; Mrs. Earl Booker and daughter, Mrs. R. C. Page and daughters, Miss Helen Stray, Mrs. Helen Hillard and Mrs. H. S. Young.

Campbell Man Dies In Long Beach

William O. Garrison, 36, of Campbell, died Sunday in Long Beach where he had gone to take treatments after being in ill health for some time. Garrison, who had resided in Campbell for over ten years, was in the construction business with his brother, E. A. Garrison. He had recently built a house on Level Ave.

Funeral rites were conducted Wednesday from the "Chapel of Flowers", with interment in the Santa Clara City Cemetery. A native of Missouri, Garrison is survived by his wife, Irene Garrison, and five children, Roberta, Wanda, Joan, Janice and Dwight. He also leaves eight brothers and sisters: Lee Garrison of Seaside, California; Emory, Armon, Amon, and Elmer Garrison, Mrs. Bertha Barnett, Mrs. Myrtle Solomon and Mrs. Lelia Thompson, all of Campbell. In addition his foster mother, Mrs. Mattie Garrison of Campbell, survives.

Grange Report

Orchard City Grange met in IOOF Hall in Campbell Tuesday evening, April 23, with Worthy Master, Herbert Shadle, presiding.

Mrs. Nellie C. Rutherford, lecturer, introduced Mr. William Young, former major in the US Army. He spoke of his experiences in reorganizing the police department in Munich, Germany, the juvenile problems, and his experiences in action during the invasion of southern France.

Refreshments were served in the beautifully decorated banquet hall by Mr. and Mrs. Lloyd Gardner and Mr. and Mrs. Robert Lear.

The next meeting will be held in the IOOF Hall Tuesday evening, May 14, at 8:00 o'clock. The Future Farmers of America of Campbell High school will have charge of the program and the public is welcome.

Moreland School Notes

BETTY PIERCE, Editor

Moreland Boys' Baseball League

The boys of Moreland played with Whisman school at Moreland's home court, Friday, May 3. It was a very hard game for both sides, but Whisman came out on top with seven points and Moreland "Tigers" four; so this ends another game until next week, when we play Cambrian school on their diamond. This will be the final game in the league for the Moreland "Tigers".

—By Richard Sisemore.

Scout Field Day

Moreland Boy Scout Troop 36 took part in field day at Cambrian school Sunday, May 5. Troops 28, 31, 34 and 36 participated. As yet we don't have the final scores of the field day. The field day consisted of 12 scout events as follows: fire by flint and steel, signaling, fire building, dressing race, scouts pace, kims game, map reading, heaving the line, self first aid, and waterboiling.

To qualify for an efficiency "E" the Scout must qualify in five of the 12 events.

The super "E" is awarded to scouts who qualify in nine events. All scouts in troop 36 qualified for efficiency "E's" and five earned the super "E's". The troop with the highest percentage of "E's" wins an efficiency "E" banner, but the winning troop has not been announced. Troop 36 practiced every night for a week before the field day. The eagle and panther patrols had hikes on Saturday to practice and built all fires with flint and steel.

CHRISTIAN SCIENCE
For the subject "Adam and Fallen Man" the Golden Text of the Christian Science Lesson-Sermon for May 12th is taken from I Corinthians: "As in Adam all die, even so in Christ shall all be made alive" (15:22).
The following citations are from the sermon:
Romans 6:16: "Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?"
"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Sooner or later we shall learn the fetters of man's finite capacity are forged by the illusion that he lives in body instead of in Soul, in matter instead of in Spirit" (p. 223).

Box Office Reporter

There's a treat in store for movie goers next Wednesday and Thursday when the Campbell Theater presents "Blithe Spirit."

Let's say outright this is the smartest, most sustainedly effervescent, consummately contrived comedy yet to emanate from Britain's movie makers; an exhibit, moreover, demonstrating that the emphasized earnestness which went into the making of things like "Western Approaches" and "Henry V" can take time out to throw an occasional frolic.

Stage-play addicts will be familiar with the theme of the piece. It tells of a novelist who just for the fun of it promotes a seance whose odd consequence is the materialization of his dead-for-seven-years first wife.

The lady's wraith is apparent only to her "widowed" husband. But her antic activities drive the gentleman's second wife to distraction and ultimately to death; to which grim end husband himself ultimately is persuaded by those same antics.

As potentially disagreeable a motive from more than one viewpoint as might well be proposed, yet such is the assured competence with which it is presented that never for one moment do the continually evoked chuckles take on the semblance of unseemliness.

Chief credit for that circumstance goes to Cineguild—the unique team comprising Anthony Havelock-Allan, David Lean, Ronald Neame—who between them made the thing ready and put it on the screen.

Certainly, Mr. Noel Coward wrote the enormously successful original stage-play; admittedly, also, the team of film makers loyally preserved every solitary line of the waspy, naughtyish, definitely disturbing, original. But they gave it, in addition, a cinematic entity of its own; contrived a move which will entertain the millions.

Prime credit therefor goes to

Kiwanis Club Hears Hornbuckle

At the Campbell Kiwanis meeting May 7, the speaker was Mr. Howard Hornbuckle of San Jose, who gave an interesting talk on increased efficiency in police departments since the F. B. I. instituted its school in Washington, and spoke of the necessity for additional study on the part of police to cope with crime and juvenile delinquency.

Mr. Hornbuckle showed a number of slides illustrating the F. B. I. courses and complimented them on the excellent work that they were doing in assisting in crime prevention and detection.

"Police Commissioner" Ray Bishop was the chairman.

Guests were Jimmy Avilla of Avilla's Market and high school student guest Mac Martin, who favored the club with a trumpet solo accompanied by Mrs. Dave Sanders.

Visitors were Don Gordon of Mt. View club and Joe McKinnon of San Jose club.

There will be no regular meeting in Campbell next week, but an inter-club meeting will be held Wednesday, May 15, with San Lorenza Valley club at Ben Lomond. Private cars will leave the library in Campbell at 5:30 p. m.

Entertains at Brunch

In honor of a group of her church friends from San Francisco, Mrs. A. W. Hall entertained with a brunch Monday morning. Among the group from San Francisco were Ira Rice, Miss Floy Rice, A. L. Craddock and L. R. Moss. Also present was Mrs. Flo Wetzell of Campbell.

David Lean for his quiet, unobtrusive direction and to Ronald Neame, who never lets his cameras escape into a wallow of "glorious" Technicolor. The past suggestiveness, the subduedness of the color so completely attuned to the undertones of the piece, are an object lesson in Technicolor's employment.

Theater Hit Playing Saturday Night

Outstanding theatrical event of the season is the Mary Chase comedy "Harvey", which has a single performance on the San Jose stage Saturday night, May 11, in the famous Brock Pemberton production with Joe E. Brown and Marion Lorne, which has been selling out at the Biltmore in Los Angeles for the past seven weeks.

Joe E. Brown in "Harvey", May 11, San Jose.

The curtain will rise at 8:30 sharp, and no one will be seated during the first scene, by request of the director, Antoinette Perry. The same rule is observed in New York City, where the original production is still running, with not a single unsold ticket since opening night almost two years ago.

Mae West Next Stage Attraction
The "one and only" Mae West will be seen in person in the Auditorium, San Jose, on Thursday evening, May 23, in a single performance of "Ring Me Twice Tonight". "Voice of the Turtle" will follow on June 17.

San Francisco's municipally owned Kezar Stadium accommodates 60,000 spectators.

Sunnyvale To Have New Industry

Scheduled to open soon in Sunnyvale is a new assembly plant for filling station equipment which will employ approximately 100 people. The Bowser, Inc., company of Ft. Wayne, Ind., will operate the plant which is to be located in the old Jubilee Hatchery building at Arques and Evelyn. The San Jose Chamber of Commerce assisted in the negotiations.

Cambrian Teachers Honored

In honor of the Cambrian teachers, the Cambrian Home and School Club will entertain with a luncheon Saturday afternoon at the Tennessee Inn. The affair will also be in the nature of a farewell party for Mrs. Harry James, who is resigning from the staff of the school, and will leave May 30 for a trip to Alaska.
